

JOB DESCRIPTION

TITLE: Metallurgical Technician

REPORTS TO: Laboratory Supervisor and Metallurgists

LOCATION: Maple Ridge, BC

DATE OF DESCRIPTION: 18-03-2022

DIMENSIONS:

This position will conduct a wide variety of testing and analysis on base and precious metal ores, industrial minerals and materials.

DUTIES:

- Receive, inspect, sort and label client samples.
- Sort, crush, pulverize, split, and screen samples.
- Conduct routine testing.
- Record test data and communicate results.
- Carry out routine equipment maintenance.
- Calibrate and setup equipment prior to analysis.
- Install and operate equipment and systems.
- Maintain a clean working environment.
- Follow all company Health, Safety and Environmental policies.
- Follow all Quality system protocols and report any discrepancies to the Supervisor.
- May be assigned special or ad hoc projects.

The duties and responsibilities listed above are representative of the nature and levels of work assigned and are not necessarily all-inclusive.

TRAINING AND EXPERIENCE:

- A minimum of a high school diploma (or equivalent) is required.
- Good hand/eye coordination when handling samples & various equipment.
- Incumbents must be proficient in using various types of computer software (Word, Excel, PowerPoint & Outlook).
- Good time management skills and a strong attention to detail.
- Candidates must be able to communicate effectively in English, in both verbal and written communication.
- Ability to work well with others & independently.
- Ability to work well under pressure.
- Extended hours and shift work may be required from time to time.
- Travel to other PMC locations or client locations may be required from time to time.

- Must ensure full compliance with the company's Health & Safety, Code of Integrity, and Professional Conduct policies.

WORKING CONDITIONS:

- Work is performed in laboratory and to a limited extent mining environments.
- Health and Safety guidelines as directed by the Worksafe BC are to be followed.
- Regular work hours are from 8:00am to 4:30pm Monday to Friday with a half hour un-paid lunch - additional hours may be necessary to complete tasks and maintain equipment and are expected only when necessary.
